**CBX**

\*This image includes the options.

**1 Top cover**

The upper cover of the washing unit can be opened and closed with one hand. Comes with an automatic stop function for the washing shower.

**2 Outer sink cover**

Prevents splashing of the washing cleaner.

**3 Sink**

**Automatic washing space**

Shoots cleaning fluid from 18 location nozzles.

Compact built-in sink

**Hand washing space**

Heavy dirt can be washed off using the hand nozzle. Presoaking is also possible.

**4 Hand nozzle**

Heavy dirt can be washed off by hand. The hand washing nozzle provides easy operation with free positioning and removal.

Attach Remove

**5 Timer**

Operation can be stopped automatically using the clock timer. (The time can be set arbitrarily, up to 12 min.)

**6 Filter**

Can be changed easily when it becomes dirty.

Main filter

Sub-filter

**7 Tank**

65 liter tank. Comes with built-in heater (3Kw) standard. The use of heated cleaning fluid (40°C) increases the cleaning power and makes cleaning easy even in the winter.

Tank can be removed for washing.
